

Max's Book Care Tips

- * Don't read in the rain, the bath, or the shower.
- * Use a bookmark instead of folding a page to mark your spot.
- * Books do not make good lunch trays.
- * When you take a book off the shelf, let a librarian reshelve it.
- * Return your library books on time. Librarians *really* appreciate it.
- * Never leave a book unsupervised near a hungry dragon.

**Books are for reading,
not for eating!**
